What Others Have Said About This Class:

"I'm now the navigator on our racing yacht!"
"We learned how to plan and plot our annual cruise."
"In just 3 hours, Captain Bernie de-mystified GPS for me."
"Should have enrolled years ago before we bought our boat."
"This seminar took the guesswork out of GPS and coastal navigation."
"Small classes, personal instruction, fun way to learn."
"Bernie taught us how to plot our way from City Island to Block Island."

If you have a battery-powered GPS, bring it to class !
